Watt Graham at Paducah several  
months ago, was given a life sen-  
tence after a plea of guilty of murder.

Mrs. J. H. Millet returned Satur-  
day from a few days' visit in Cairo.  
She was accompanied home by her

The German Emperor has suggested  
that every beautiful woman in the  
empire be taxed forty-five cents a  
year.—Baltimore Sun. Such a tax in  
Hickman would mean 40c for every  
lady in town, with the possible excep-  
tion of two who are not taking the  
Courier.

GOOD CROWDS ATTEND  
Opening Performances of  
Cowgill's Picture Show.

Evidently the populace of Hickman  
was hungry for motion pictures, as  
H. N. Cowgill's new motion picture  
show, "The Crystal," was packed  
and jammed Saturday night when the  
new place of amusement was thrown  
open to the public. Two shows were  
given at night and on both occasions  
standing room was at a premium, al-  
though the seating capacity is 200.

Everyone was pleased. The pic-  
tures were good and the interior ar-  
rangement of the theatre excellent.

Indications are that the Crystal will  
be not only popular but a financial  
success. Hickman should certainly  
support a good place of this kind if  
other smaller towns can do so.

The Crystal gives a change of pro-  
gram daily, with shows each after-  
noon and night.

Cowgill Rogers left last Thursday  
for Louisville, going from there to  
Williamsburg, Ky., where he has ac-  
cepted a position with the engineer-  
ing department of the L. & N. rail-  
road company.

"FIRE."—Kennedy.

Will Caldwell spent Sunday in Un-  
ion City.

T. T. Sullivan was on the sick list  
last week.

Miss Carrie May Reid is visiting in  
the country.

Tom Hubbard spent several days  
here last week.

Patronize home industries.—Hick-  
man Steam Laundry.

Our new laundry foreman does good  
work—no tearing or losing.—Hick-  
man Steam Laundry.

Tom Callahan, of Fulton, has sub-  
contracted from C. T. Bondurant a  
part of the work of filling the gap  
in the levee below Hickman.

NEW PRINCIPAL RESIGNS.

After visiting Hickman and looking  
carefully over the situation as regards  
the recent school fight here, Prof. E.  
S. Clark, principal-elect, decided it  
was best to tender his resignation.  
This he did last week.

The complexion of the school board  
is somewhat changed since the elec-  
tion. What they will do in this mat-  
ter remains to be seen as no meeting  
has yet been called. A regular meet-  
ing will take place on the 28th—if not  
a call meeting before that time.

Ends Hunt for Rich Girl.

Often the hunt for a rich wife ends  
when the man meets a woman that  
uses Electric Bitters. Her strong  
nerves tell in a bright brain and even  
temper. Her peach-bloom complexion  
and ruby lips result from her pure  
blood; her bright eyes from restful  
sleep; her elastic step from firm, free  
muscles, all telling of the health and  
strength Electric Bitters give a wo-  
man, and the freedom from indiges-  
tion, backache, headache, fainting and  
dizzy spells they promote. Every-  
where they are woman's favorite rem-  
edy. If weak or ailing try them. 50c  
at Helm & Ellison's.

Dee Henry was in Martin Sunday.

HARRIS SELLS INTEREST.  
Goes Out of Hickman  
Steam Laundry.

Oce Harris, one of the founders and  
owners of the Hickman Steam Lau-  
dry, has sold his one third interest  
to his partners, Dr. J. M. Hubbard  
and A. E. Kennedy. Mr. Harris will  
open a collecting agency here next  
month.

The laundry will continue under  
the management of Mr. Kennedy.  
They have recently engaged the ser-  
vices of S. B. Lowndes, an expert  
laundryman, who is now foreman of  
the plant. It might also be added  
that the new institution is doing a  
good business. There is marked im-  
provement in the service since the  
new foreman took charge; in fact,  
their work is first class in every par-  
ticular. Mr. Kennedy, the hustling  
manager, tells us he is going after  
the laundry business of this section,  
and that if good work, prompt ser-  
vice and right prices have anything  
to do with it, he is going to get the  
business.
